The 5th Annual Boy Scout Day at the Georgia State Capitol

Tuesday, March 1, 2005
9:00 am – 3:00 pm

To reserve your space or with any questions, please contact:
Amy Watson at amymariewatson@yahoo.com or 404-656-5141.

Although the agenda for the day has not been finalized, Scouts can look forward to the opportunity to interact with members of the Georgia General Assembly, a scavenger hunt in the Capitol building, recognition from the State House and State Senate, and many other fun and educational experiences.

For information regarding serving as a Page in the Georgia General Assembly, please contact your local State Representative or Senator directly. However, serving as a Page on Boy Scout Day will result in the Scout missing many or all of the scheduled events.
